Note from the Board of Directors:

As a private Christian school, we receive very few subsidies from federal, state, and local agencies to help fund the biblically-based education provided at TKCS. Therefore, as has been the case throughout the school's 65+ year history, the operational expenses of King's are met through two sources of income: tuition and gifts. In order to keep a King's education attainable for as many Christian families as possible, the tuition rates that have been set do not cover the full cost. As a result, this year we will once again trust our Lord to touch the hearts of His people to provide the funding needed to make up the difference between the tuition rates charged and the full cost of the excellent education provided at TKCS. (The full cost of tuition for next year is projected to be \$9,155.00 per student.) If you feel led to make a donation to our Annual Fund, please contact Mrs. Sharon Pritchett at spritchett@tkcs.org or call 856-489-6720, x115. Thank you so much for your prayers and support!
