The King's Christian School

High school students who have a valid state driver's license may be allowed to drive to and from school. These students must make application to the high school principal and must realize that driving to school is a privilege that may be revoked if the student does not act responsibly. Student drivers must understand that the privilege of driving to school carries with it certain responsibilities. These include conducting oneself in a safe, courteous, and proper manner as well as arriving to school on time. Violations may result in suspension of the driving and/or parking privilege.
