# The King's Christian School

## Christian Service Program

### Program Description

The mission statement of the King's Christian School expresses our desire to develop "effective servant-leaders who impact the world through their Christian walk." The Christian Service Program (CSP) will allow our students a variety of opportunities to live out their faith before a rapidly changing world. Our goal is to expose students to a number of ways to use their God-given gifts and talents. Through service in the church, local community and world, we believe that students will gain a deeper love for Jesus and those who need Him. The goal of the CSP is to provide students with opportunities to engage needs around them in meaningful ways with their faith in Christ in full view.

*1 Peter 4:10 Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.*

## High School Service Requirements

The High School requirements are tiered based on grade.

<b>Class</b>	<b>Local Missions</b>	<b>Other Service</b>	<b>Total Hours</b>
<b>Freshmen</b>	<b>15</b>	<b>20</b>	<b>35</b>
<b>Sophomores</b>	<b>15</b>	<b>25</b>	<b>40</b>
<b>Juniors</b>	<b>15</b>	<b>30</b>	<b>45</b>
<b>Seniors</b>	<b>15</b>	<b>35</b>	<b>50</b>

Students earn hours in two categories:

1. Local Missions: Students earn 1.5 hours for each local mission trip participation. A student who misses a local mission trip will need to make up the time (1.5 hours) in Other Service.
2. Other Service: Students will perform their remaining hours in self-guided service. Hours served may be in any non-profit organization that serves the community.

Students will need to complete the service hours for each year of enrollment at The King's Christian School. Report Cards and transcripts will record a pass/fail for the service requirement.

Log Sheets to record hours served will be available in the High School Office and on the TKCS website. Log Sheets can be turned in at any time before May 15.
